

Bastien Doret

Junior Developer

With my Master's degree in Computer Science - Software Engineering and I'm looking for a job in the video game industry. Dynamic and passionate, I'd be delighted to help your company realise its ideas and projects.

Education

Sept. 2023

Master's degree in Computer Science / [Université de Poitiers](#) Poitiers

Master's degree in computer science, specialized in Software Engineering, Real-time Specification and Validation option

Jun. 2020

BTEC Higher National Diploma in Computer Science / [IUT La Rochelle](#) La Rochelle

BTEC Higher National Diploma in Computer Science with specialisation in Intelligent Connected Environments

Work experience

From Apr. 2023
to Sept. 2023

Developer of multi-platform video games on Unity and/or Unreal Engine / [Smart-Tale](#) Montpellier

Participation to Inspecteur Gadget project - MAD Time party. As part of this project, I was in charge of the Playstation 4 and 5 ports, as well as the Switch port. I also implemented graphical optimisation to improve the game's performance on Switch.

From Jun. 2022
to Sept. 2022

Support for the design of medical data visualisation tools. / [Laboratoire XLIM](#) Université de Poitiers, France

Integration of the research team involved in reconstruction and visualisation of 3D medical models. The main objective was to work on the development of data visualisation software. The visualization was operated in the 3D Slicer software, in C++ using the VTK (Virtualization Toolkit) library.

Expériences Associatives

Nov. 2022

Game developer / [Gamejam au Palais](#) Palais des ducs, Poitiers, France

Participation to the GameJam at the Palais, organized by the EESI in partnership with the University of Poitiers, link to the submission : <https://turnute.itch.io/hooman-and-octo-energy-failure-inpoitiers>

Oct. 2021

Game Developer / [GameJam LudumDare 49](#) Remote

Participation in the LudumDare 49 with 3 other people, link to the submission : <https://ldjam.com/events/ludum-dare/49/hikerspuzzle>

Interests

Role Playing Game Teamwork around a large board game

Music Obtained the general music training diploma during my 3rd year of secondary school
